Magoffin County Cooperative Extension

*Serving Magoffin County
Through Cooperative Extension*

Welcome to Magoffin County Cooperative Extension Service! Many times we are asked in our office and throughout the community, “What is Extension?” “What do you guys do there?” It’s even been said, “Extension is the best kept secret around.” Hopefully, we can bridge the gap with some information about Extension that will help you. If you have any questions about our office and what we do, give us a call. We are here to serve our community.
